

ITH 3D FLOWER LINED POUCH

.....SUPPLIES.....

Stabilizer
 Scissors
 Embroidery Machine
 Felt
 Steam a Seam 1/4"
 Fusible 2-Sided Tape
 Scotch Tape
 9-15" Zipper
 Scrap of Ribbon

4X4 makes 3.80" X 3.80" Pouch

5X7 makes 6.83" X 4.29" Pouch

6X10 makes 9.30" X 5.83" Pouch

8X12 makes 11.76 X 7.38" Pouch

LOAD PART 1 OF THE 3D FLOWER POUCH AND STITCH THE DIE LINES ON A NEW PIECE OF STABILIZER

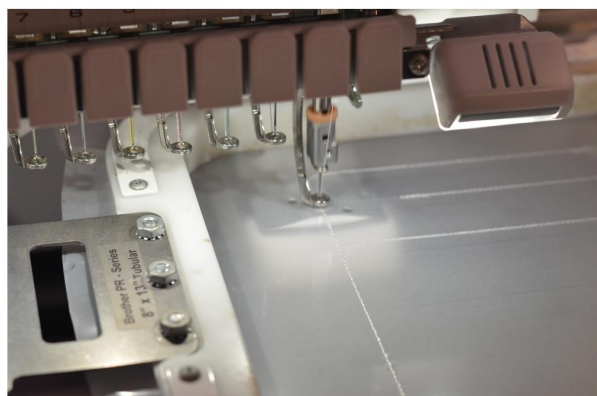

COVER THE DIE LINES WITH FABRIC OR FELT (BEST) AND TAPE IN PLACE

STITCH THE BLACK GUIDE CIRCLES AND TACK DOWNS ON THE LEAVES AND FLOWERS.

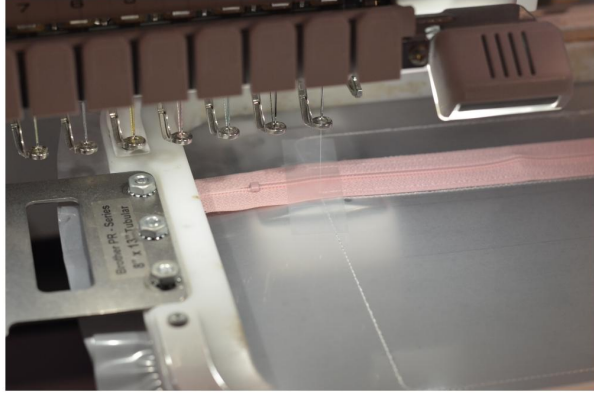

TRIM AROUND THE FLOWERS AND LEAVES VERY CLOSE TO THE TACK DOWN LINE. BE CAREFUL NOT TO CUT INTO THE TACK DOWN STITCHES.

LOAD PART 2 AND STITCH THE DIE LINE FOR THE POUCH ON A NEW PIECE OF STABILIZER. ALSO STITCH THE ZIPPER DIE LINE.

TAPE A 1" WIDE ZIPPER WITHING THE ZIPPER DIE LINE FACE UP, MAKING CERTAIN THE PULL AND STOPPER ARE ON THE OUTSIDE OF THE DIE LINE FOR THE POUCH.

STITCH THE TACK DOWN FOR THE ZIPPER

TAPE A PIECE OF FABRIC FOLDED IN HALF AND PLACE IT WITH THE FOLD TOUCHING THE CENTER OF THE ZIPPER. ALSO COVER THE TOP HALF OF THE POUCH IN THE SAME MANNER WITH THE FOLD TOUCHING THE ZIPPER. DO THE SAME ON THE REVERSE SIDE OF THE HOOP WITH LINER FABRIC

STITCH THE TACK DOWN FOR THE LOWER HALF OF THE POUCH. THEN STITCH THE TACK DOWN FOR THE UPPER HALF OF THE POUCH

STITCH THE GUIDE CIRCLE FOR THE MEDIUM FLOWER

HERE IS THE CIRCLE

TAPE THE LEAF CLOSE TO THE BLACK CIRCLE AS SHOWN

USE A SEAM RIPPER TO STICK INTO THE CENTER OF THE CIRCLE ON THE FLOWER AND ON THE ZIPPER POUCH

THIS HELPS TO CENTER THE FLOWER WHERE IT NEEDS TO BE

TAPE THE LEAF AND FLOWER DOWN

STITCH THE CENTER OF THE MEDIUM FLOWER

NOW TAPE THE FLOWER OUT OF THE WAY OF THE SMALL FLOWER BLACK DIE LINE.

THIS PREVENTS THE FIRST FLOWER FROM GETTING STITCHED DOWN BY THE BLACK CIRCLE

CONTINUE UNTIL ALL THE FLOWERS HAVE BEEN STITCHED DOWN BY THE CENTERS

TAPE ALL THE FLOWERS AND LEAVES OUT OF THE WAY FROM THE EDGES WHERE THE TACK DOWN LINE IS

UNZIP THE ZIPPER HALF WAY. DO NOT FORGET THIS STEP OR YOUR POUCH WILL NOT UNZIP.

PLACE A PIECE OF LINER FABRIC WRONG SIDE UP OVER THE POUCH. ON THE BACK SIDE OF THE HOOP PLACE A PIECE OF LINER FABRIC WRONG SIDE OUT. TAPE BOTH SIDES IN PLACE WELL.

STITCH THE FINAL TACK DOWN FOR THE POUCH. THE BOTTOM LONG EDGE WILL HAVE A GAP IN IT. THIS GAP WILL BE USED THE TURN THINGS RIGHT SIDE OUT.

TRIM AROUND THE POUCH ABOUT 1/8" - 1/4" FROM THE TACK DOWN LINE. AT THE GAP, LEAVE A FLAP.

USE STEAM A SEAM FUSIBLE DOUBLE SIDED TAPE TO CLOSE THE SEAM LEFT OPEN AT THE BOTTOM

PUSH THE FLAP INSIDE THE BODY OF THE POUCH

IRON THE OPENING TO FUSE THAT TAPE. THIS WILL CLOSE THE OPENING PERMANENTLY.

ENJOY YOUR LINED 3D FLOWER POUCH! STUFF WITH YOUR FAVORITE THINGS: MAKEUP, PENCILS, SNACKS.
